Comments:

1. Minimum Quotation Step is the minimum value, by which the price of all quoted Financial Instruments may be changed.
2. One Lot is a transaction unit for all quoted Financial Instruments.
3. Profits and losses in EOPS are expressed in the Base Currency after recalculation of the profits and losses established in the second currency of the pair or in the currency, in which the value of the Financial Instrument is expressed at the RallyTrade LTD Exchange Rate.
4. Trading services are provided Sunday 11 p.m. CET/CEST to Friday 10 p.m. CET/CEST. Trading hours for individual instruments don't apply outside of this time frame.

5. All transactions are executed as market orders.
6. Both opening and closing commissions are charged at the opening of the transaction.
7. Commission of 5 USD is charged per one lot and applies to accounts with Base Currency USD.
8. RallyTrade LTD reserves that Financial Instruments, for which the reference instruments are the levels of stock indices and derivative contracts are the instruments of “over-the-counter” nature. Prices of aforementioned Financial Instruments are established by RallyTrade LTD and reflect the actual values of stock indices and derivative contracts, however current purchase and sale prices may differ from the levels of these instruments quoted on organized markets.
9. Dates of position rollover between the consecutive series of the contracts, which also constitute the base for valuation of the Option Financial Instruments, are available in the Rollover Table.
10. Prices for PRO CFD are quoted on a floating basis and reflect the current market situation.
11. The volume weighted average price (VWAP) applies to all market orders.
12. All transactions on ITA40 are subject to FTT (Financial Transaction Tax). The tax is charged as a fixed fee related to the notional transaction value. The following scheme presents the notional transaction value brackets and related tax values:

Up to €2,500: €0.25
